Sisters In Christ Ministries is a registered nonprofit (501 (c)(3) organization. The organization's mission is to minister to women of all denominations, in the hope that they receive encouragement, empowerment and grace to live Christ-centered abundant lives.

The annual Sisters In Christ Women's Conference is a one day event where guest speakers share personal testimonies of how with God's love and grace they have overcome tragedies and obstacles in their lives. There is never a cost to attend this special event. Expenses are met by supporters via donations, sponsorships and by Sisters in Christ Ministries' fundraisers and outreach events, the Sisters in Christ Faith Walk and United in Christ Motorcycle Ride.

The first Sisters In Christ Women's Conference was held in February 1997. Since then, the conference has grown in faith, strength and attendance with women from around the world attending. Our boundaries have been extended to minister internationally and Sisters In Christ Women's Conference has been held in Cuba semiannually since 2006.

SPEAKERS

DELMA GINE speaker and author, has a heart for God's daughters. As founder and president of Sisters In Christ Ministry, Delma is deeply committed to compassionately enriching the lives of today's women through God's loving word. In August 1996 God birthed in her a desire to let women know that wholeness and restoration can take place through Jesus Christ. The vision and the mission came quickly and Sisters in Christ Women's

Conference evolved and was held in February 1997. "My love for the Lord and desire to serve Him is the focal point in my life."

BABBIE MASON is one of the most exciting Christian artists in the nation. Her award-winning music is heard on radio and television worldwide and her works appear in the church hymnal. She has graced the platform with such dignitaries as Presidents Carter, Bush and Ford and preachers such as Dr. Billy Graham and Pastor Jim Cymbala. God alone is the reason for the zeal exhibited in her life and the timeless appeal found in her songs.

DR. BETTY JONES earned both the M.Div. and D.Min from the Interdenominational Theological Center (ITC) in Atlanta. She is a part-time pastor at County Line UMC in Ellenwood, Ga. and the Director of Faith Journey: Partnership in Parish Ministry Formation (a mentoring program for seminarians and first year seminary graduates at the ITC). She is also an Adjunct Professor at the ITC.
